

Group: 9

Date: 2/27 Time: 12:55 PM Duration: 20 minutes

Present, on time: Shreya Boyapati, Ayesha Quadri Syeda, Dat Hyunh, Sarthak Patipati

Synopsis:

We discussed our progress on the coding project and assigned each other tasks for the first sprint. We discussed our second scenario again to make sure we are on the same page with what we want to accomplish. Finally, we discussed the documentation project report and divided it up.

Recent Individual Accomplishments:

All completed their sections of the coding demo. The first scenario was completed. Ayesha and Dat created the document/diagram for the second scenario. Shreya populated jira with tasks for the second scenario.

Current Individual Activities:

All will begin work on the requirements document, to be worked on over the next three week period. Sarthak will work on sections 1-4, Shreya will work on sections 5-6, Ayesha will work on sections 7-9, and Dat will work on sections 10-13.

Shreya will work on connecting the various GUI screens/menu options. Sarthak will work on creating a back button. Ayesha and Dat will work on connecting SQL to Java and pulling data from the databases they created.

Individual Action Items:

Shreya - connect GUI screens, requirements report sections 5-6

Dat - connect user and nutrition databases to java and pull data, requirements report sections 10-13

Sarthak - create back button, requirements report sections 1-4

Ayesha - connect restaurant database to java and pull data, requirements report sections 7-9
