

Group: 9

Date: 3/08 Time: 12:55 PM Duration: 30 minutes

Present, on time: Shreya Boyapati, Ayesha Quadri Syeda, Dat Huynh, Sarthak Patipati

Synopsis:

We discussed our progress on the coding project and assigned each other tasks for the second sprint. We also discussed our progress on the documentation project and checked in with each other about our progress.

Recent Individual Accomplishments:

Sarthak worked on the requirements documentation - he did the use case diagrams. Dat worked on the documentation. Ayesha did nothing. Shreya did one section of the documentation and integrated the GUI screens.

Current Individual Activities:

All will continue working on the requirements document. Sarthak will continue working on sections 1-4, Shreya will work on sections 5-6, Ayesha will work on sections 7-9, and Dat will work on sections 10-13. We will all aim to make steady progress on it over the next couple of weeks.

Shreya will work on connecting the database to GUI. Sarthak will work on creating a back button. Ayesha and Dat will work on connecting SQL to Java and pulling data from the databases they created.

Individual Action Items:

Shreya - connect database to GUI, continue working requirements report sections 5-6

Dat - connect user and nutrition databases to java and pull data, continue working on requirements report sections 10-13

Sarthak - create back button, continue working on requirements report sections 1-4

Ayesha - connect restaurant database to java and pull data, continue working on requirements report sections 7-9
