

Group: 9

Date: 2/6 Time: 1:00 PM Duration: 20 minutes

Present, on time: Shreya Boyapati, Ayesha Quadri Syeda, Dat Hyunh, Sarthak Patipati

Synopsis:

We discussed the individual parts of the report that we were responsible for and how we are going to go ahead with the presentation. We also briefly discussed the summary and finishing up the rest of the report. We discussed how to begin the coding project and assigned tasks to each other for the first sprint.

Recent Individual Accomplishments:

Shreya, Ayesha, and Dat completed their sections of the report and Sarthak completed one of his sections. The report will be completed by the end of the week.

Current Individual Activities:

Shreya, Ayesha, Sarthak, and Dat will all work on the powerpoint for the presentation. The presentation will contain all the most important parts of each section and have charts for examples. Each member will have to give 1.5 minutes of the presentation. Sarthak will also complete the remaining section of the report by the end of the week.

Shreya and Sarthak will work on the GUI for the Fitness and Nutrition Buddy. Shreya will create the start/welcome screen and Sarthak will create the user signup screen. Dat and Ayesha will work on the database. Ayesha will do the restaurant database and Dat will do the client database and nutritional database. The GUI will use Java and the database will use SQL.

Individual Action Items:

Shreya - Presentation section for Project Overview and The Purpose of the Project, work on GUI (welcome/start screen)

Dat - Presentation section for The Scope of the Work and The Scope of the Product, work on database (client and nutrition)

Sarthak - Presentation section for Stakeholders and Mandated Constraints, finish report, work on GUI (signup screen)

Ayesha - Presentation for Naming Conventions and Definitions and Relevant Facts and Assumptions, work on database (restaurant)
