Group: 9   Date: 3/27 Time: 12:55 PM   Duration: 30 minutes
Present, on time: Ayesha Quadri Syeda, Dat Huynh, Sarthak Patipati
Absent: Shreya Boyapati

Synopsis:
We discussed our progress on the coding project and discussed the third sprint. We discussed logistics for the group presentation and decided to meet again on Wednesday to make sure we are on the same page with what we want to accomplish. Finally, we briefly discussed the fourth sprint and what we need to accomplish.

Recent Individual Accomplishments:
Dat added sign-in info to the user database and had specific checks for both email and password fields. Shreya added user goals from the database and added data fields to work with the GUI. Ayesha added the restaurant database and updated the user info to have the restaurant array. Sarthak created a database for meals, and displayed them in the Meal Plan screen.

Current Individual Activities:
Dat will work on completing the macros screen and making it such that it displays the macros for multiple users. Ayesha will work on the Change goal screen which will allow users to change their goals. Sarthak will work on the Nutrition Tracking screen that tracks the user's daily food intake. Shreya will work on integrating the GUI and build a complete product for the second demo.

Individual Action Items:

Shreya - Integrate the GUI

Dat - Work on the Macro screen by displaying required macros for multiple users

Sarthak - Work on the Nutrition Tracking screen

Ayesha - Work on the Change Goal screen
