Group: 9   Date: 2/20   Time: 12:55 PM   Duration: 20 minutes
Present, on time: Shreya Boyapati, Ayesha Quadri Syeda, Dat Hyunh, Sarthak Patipati

Synopsis:
We discussed our progress on the coding project and figured out what we need to do to complete the first scenario. We also discussed how to approach the demo. We have decided to use slides with code snippets and pictures to explain our work. Lastly, we discussed our second scenario. In this we want to combine the database and GUI and implement the key logic for the program to function.

Recent Individual Accomplishments:
All completed their sections of the project description summary. Dat and Ayesha finished expanding the databases. Shreya finished the meal plan and calories GUI screens. Sarthak finished the signup screen and the map screen.

Current Individual Activities:
Shreya, Ayesha, Sarthak, and Dat will all work on preparing for the demo. Everyone will have 2-3 minutes to talk. We will use slides as our visual aid as it will be an easy medium to display the important parts of our code and pictures of how our project works.

Shreya and Sarthak will work on the GUI for the Fitness and Nutrition Buddy. Shreya will work on the change goal option GUI. Sarthak will create the user nutrition plan and restaurant search screen GUIs.

Ayesha will work on writing the second scenario and Dat will work on the diagram for the second scenario.

Individual Action Items:

Shreya - work on GUI (change goal), prepare for demo, populate jira for second scenario

Dat - prepare for demo, diagram for second scenario

Sarthak - work on GUI (nutrition plan, restaurant search), prepare for demo

Ayesha - prepare for demo, write second scenario
