Group: 9   Date: 2/13 Time: 1:00 PM   Duration: 20 minutes
Present, on time: Shreya Boyapati, Ayesha Quadri Syeda, Dat Hyunh, Sarthak Patipati

Synopsis:
We discussed the summary and how to divide up the work associated with it. We also discussed our progress on the coding project and assigned tasks to each other for this week's sprint.

Recent Individual Accomplishments:
Sarthak completed his section of the report. Shreya completed the start screen GUI. Ayesha completed the restaurant database. Dat completed the meal plan and user databases. All completed their sections of the presentation.

Current Individual Activities:
Shreya, Ayesha, Sarthak, and Dat will all work on the project description summary. The summary will talk about all the most important parts of each section. Each member will have approximately 0.5 pages.

Shreya and Sarthak will work on the GUI for the Fitness and Nutrition Buddy. Shreya will work on the meal plan, change goal, and map screen GUIs. Sarthak will create the user signup screen and work on the calories, nutrition plan, and restaurant search screen GUIs. Dat and Ayesha will work on expanding the databases to include more data. Ayesha will do the restaurant database and Dat will do the client database and nutritional database.

Individual Action Items:

Shreya - summary section for Project Overview and The Purpose of the Project, work on GUI (meal plan, change goal, map)

Dat - summary section for The Scope of the Work and The Scope of the Product, expand database (client and nutrition)

Sarthak - summary section for Stakeholders and Mandated Constraints, work on GUI (calories, nutrition plan, restaurant search)

Ayesha - summary for Naming Conventions and Definitions and Relevant Facts and Assumptions, expand database (restaurant)
